Dear Supporter of Music,

Tequesta Trace MS Band program serves the music education needs of about 150 students at Tequesta Trace Middle School. Our Band Director's goal is to develop students' lifelong love of music and to expand their musical repertoire through its offerings in Concert, Advanced, Symphonic and Jazz Bands. Our 6th, 7th and 8th graders play flutes, clarinets, oboes, bassoons, saxophones, trumpets, French horns, trombones, euphoniums, tubas, percussions, piano, guitar, and double bass. Beyond the music, we believe that these programs will teach students valuable life lessons such as teamwork, discipline, creativity and a strong commitment to the local community.

The Tequesta Trace MS Band Boosters is an all-volunteer parents' organization dedicated to providing funds for the band. This year we are investing in an online program called Smart Music. The subscription-based program gives access to a whole library of music, allows for students to record their lessons, and gives the band director an opportunity to give valuable feedback on one user-friendly platform. Due to schools being online, the Smart Music program will keep students engaged and give them the tools to grow as musicians.

Your donation will directly help a student cover their Smart Music subscription fee. Once schools are allowed to open your donation will also help contribute to the maintenance of their instrument, music clinicians (instrument specialists), uniforms, music scores, competition fees, music supplies, transportation expenses, events decoration and food supplies.

As a Tequesta Trace Middle School Band Sponsor, you have the opportunity to support your local school and, at the same time, advertise your business throughout the 2020-2021 school year. The Boosters are a 501(c)(3) organization and your donation is deductible to the extent allowed by law.

Thank you in advance for your support!
